

# PRECISION PET LAUNCHES REDESIGNED WEBSITE

**COSTA MESA, Calif.**—Precision Pet Products has launched a completely redesigned website with a fresh new look and user-friendly features.

Product selections are now easier than ever to find through multiple navigation and

search options. Product assembly instructions will also be available through PDF download files, and various video assembly instructions will be made available through the site in the near future.

In addition, retailers can take advantage of immediate point-of-purchase signs available for download, and consumers will soon see online offers to support their retail purchases. For more information, visit [www.precisionpet.com](http://www.precisionpet.com).
